

Don't be a time waster!

1. On the clock face, write lots of different things which you would do in one day. Two have been done for you.
2. List activities which you **don't spend enough** time doing.

3. List activities which you spend **too much** time doing.

4. On the clockface below, write some ways to find more time for the activities that you need to (or would like to) do!
5. Complete the sentence.

I'm not a time waster, I'm a time _____.

LEARNING ABOUT THE WORLD

1. You have been given a newspaper article by your teacher that describes an event that has occurred in another country. You will read, analyse and comment on the article.

- Title of newspaper: _____
- Date of newspaper _____
- Headline of article: _____
- Journalist/Writer of article: _____
- Town and country article set in: _____
- Summary of article: _____

- Your opinion/comments about the article: _____

2. Look at a world map or atlas to locate the country and town where your article is set. Draw where the country is in relation to where you live. Label your work.

3. Use the library/Internet to find three interesting facts about the country you have read about. Write them below.
